

VIDEO LIBRARY SCHEDULE

To all the Video Library helpers:

Thanks so much for helping out with the video library. It's time for a new schedule. If you have questions regarding the process of checking out the videos, please contact Jan Attema. We do not have any scheduled funding right now. In the past we have made purchases from donations and gifts from the Evangelism Committee. If you have new video ideas or an idea for a new series, let me know and we will try to come up with ways to fund them.
