Biruk's Egg Project

is a 501(c)3 nonprofit based southwest of Inwood. We raise free-range chickens and deliver eggs in return for donations to the project. 100% of funds are sent to sponsor 100 kids in Wuchale — a rural community in northern Ethiopia. We are also raising money to build a maternal medicine clinic there. [Starting on July 11, you can pick up farm-fresh eggs at Inwood Hatchery.](#) Your donations help support our efforts in Wuchale. The suggested donation is \$3/dozen. [Follow Biruk's Egg Project on Facebook or call Tami at 605-351-2450 for more information!](#)

The Inwood Community Bulletin is a newsletter meant to keep the community, churches, and the family of God connected. If you have a prayer request, an invitation to a community or church event, opportunities for volunteer and service projects, or updates and reminders to share please email your announcement to inwdcrcoff@alliancecom.net or call 753-4467.

Do you have excess produce from your garden?

The food pantry at ATLAS of Lyon County would greatly appreciate anything you have. We would love to be able to share wonderful fresh produce with fellow brothers and sisters in need.
