

SCHEDULE FOR 2020 **for Worship Services at Fellowship Village**

From time to time, our church is responsible for the Sunday afternoon chapel service at Fellowship Village. The elderly in our community are often forgotten and ignored. By participating in this service, we can let them know that they are indeed a significant part of the Kingdom of God. It need not take a lot of time or effort on your part to participate in this service, yet this is an important part of our ministry to the elderly.

We have made up a schedule of different groups in our church who would be asked to participate in the chapel service with a helping pastor. The groups are as follows: GEMS, Cadets, Circle of Faith, Council, The Edge. Due to more scheduled Sundays we have also started to rotate through the Household of Faith groups.

The scheduled group would need to provide three or four people for a special part in the service: 1) piano player, 2) someone for welcome and opening prayer, 3) song leader, 4) special music.

BASIC ORDER FOR WORSHIP (starts at 2:30 p.m.)

Welcome
Prayer
Group singing (3 or 4 songs)
Special Music
Message (normally by a pastor)
Closing Prayer (normally by a pastor)
(This order of worship can be changed or rearranged).

This is a tentative schedule for groups to participate:

Jan. 26 - Council
March 15 – GEMS
May 3 – Circle of Faith
June 21 – Household #3
August 9 – Household #1

If this schedule does not work out for your group, feel free to switch around with another group. Let Pastor Adam know if you have changed with another group. If you have any questions about what is expected of your group, please contact Pastor Adam. Thank you for your willingness to serve in this way.
