

MAILBOX "STUFFER" SCHEDULE

Thank you for volunteering to stuff our mailboxes at church. The material that needs to be put in the boxes each week will be in the cabinets under the mailbox (right hand side). I will try to have that information ready no later than 4:00 on Thursday. You can stuff the boxes when it is convenient for you -- just so it's done by Sunday morning! We have quite a few mailboxes that aren't being used right now -- there is a sticky note inside of these mailboxes so you'll know which ones to NOT put mail in. If you can't make it on your scheduled week, please trade with someone on the list or find your own substitute. If there is a week where we won't have any mail, I will call/email you and tell you that. Thanks for being willing to help with this important ministry.
