

Piano/Organ Schedule Fall 2023

Thanks to you girls for serving in this manner. Praying each of you receive a blessing as you Minister in His Name.

If you have concerns about this schedule please let me know and we can adjust it to suit your needs.

Please Note: I did include Brenda and Marge in a few morning services knowing you had agreed to this last year.

If you know of someone that is willing to take some services, please invite them to do so.

Even if you hear of family member that is planning to be here some Sunday, Ask Them! It's nice to have variety.
